

Brother Peter McGuigan

Brother Peter McGuigan was introduced to our Circle by Brother Terry Braim and was enrolled at our meeting on Tuesday 27th August. His sponsors were Terry Braim, Frank Delicata and an ex colleague and friend from his teaching days, Jim Shields of Epsom Circle. This photograph, taken soon after his enrolment, is with myself, President Bernard Nelligan and Provincial Membership Officer Mike O'Neill.

Peter trained at St Mary's Strawberry Hill and began his teaching career in 1975. He taught Physics, ICT and Mathematics in Battersea, Kingston and Hammersmith.

He married Mary Ann in 1977 at St Mary Magdalen's in Wandsworth and moved into the borough of Croydon - initially to the parish of St Chad's South Norwood, and then to Our Lady of the Annunciation in Addiscombe.

He's been blessed with two children - Ann Marie and Paul - who are now well settled in their chosen careers.

Both he and Mary Ann are now retired from full time work and are currently involved in the life of Our Lady of the Annunciation. They are both members of the Parish Pastoral Council, amongst other things.

Peter has already stated that joining the Catenians has added to both him and Mary Ann an extra dimension to their social lives, and he is now looking forward to developing new associations and friendships in the future.

John Fennell

Membership Officer
