

Success at Membership Officers' Night

On 11th November the Brothers of Windsor Circle hosted the presentation ceremony for the annual 'Membership Cup' which is awarded to the most successful annual recruitment figures by a circle in our Province. This year, Croydon was (again) the recipient and it's the second time we have won it in the last four years. In this past year Croydon has enrolled four new brothers and it's a reflection of the welcoming nature of Croydon Circle that it is able to consistently attract so many men to the Catenian brotherhood.

Croydon has now won this accolade four times in the last fourteen years and it's a testament to the hard work of our long serving Membership Officer, Brother John Fennell, who has carried out this role for the last thirteen years.

The photograph shows John being presented the award by GBNC President Andrew Sowerby. On the left of the photograph is Provincial Membership Officer Mike O'Neill and next to John is Windsor President Philip Reynolds.
